SUMMARY

Wine expert with a deep and wide experience embracing different sectors and areas of the wine industry. Through my High School diploma in Agricultural Studies, I gained technical and practical skills that formed the basis for my future education. After my Master's Degree in Law, I attended a post-graduate specialization course in Viticultural Law, that paired with my working experience for a law firm specialized in wine law (Studio Giuri Avvocati) increased and refined my legislative knowledge of the field. Following my deep interest and passion, I also obtained the FISAR Diploma of Sommelier.
